A Checklist of Books and Articles in the Field of the History of the Book and Libraries, Part 2

Liana Van der Bellen

The Bibliographical Society of Canada published in its *Papers / Cahiers*, Volume 23, 1984, several categories of Canadian entries submitted to the *Annual Bibliography of the History of the Printed Book and Libraries* (ABHB) published in Antwerp by the Committee on Rare and Precious Books and Documents of the International Federation of Library Associations since 1970. A brief history of ABHB was given and the following topics were listed: History of the Book and Printing; Publishing and the Book Trade; Fine Printing, Small and Private Presses, Livres d'artistes. In this issue we are presenting checklists of Retrospective Canadian Bibliographies and Bibliographical Studies, which include descriptive bibliographies, published between 1970 and 1986, as well as a list of new publications on the topics listed in Volume 23. Again, we would be happy to receive notice of items which have been missed.
